Welcome Grant Stahl!

I am pleased to announce that Grant Stahl has recently joined the Hunter Panels XCI sales team as the Mid West Regional Sales Manager. Grants' territory will be from Michigan to Nebraska and everything in between.

Grant has two decades of experience in the building materials industry in Sales and Product Management. Best of all, he has insulation in his very DNA, as his father is an alumni of The Celotex Corp. Most recently, Grant worked in wholesale distribution in Chicago. He is bringing considerable experience in selling to trades involved in the building envelope, a natural fit for the new Hunter Xci wall product line.

A native of St. Louis, Grant has his degree in Marketing from Miami University of Ohio and MBA from Maryville University in St Louis. He lives in Chicago with his wife Liz, two children, Ben (15), Max (13) and (7) year-old golden retriever Crash.

Grant enjoys golf, coaching youth sports, long quiet walks on the beach, low gas prices and funnel cakes. He admits to being an avid St Louis Cardinal fan, living in enemy territory amongst Cub Fans. Life cannot be easy for Grant – but at least St Louis is in his new territory!

Grant started his Hunter career by surviving our National Sales Meeting... No easy feat!

Please join me in welcoming Grant to the Hunter/CCM family.
