

CLASS IS IN SESSION

Kick Back, Relax, and Learn

Working from home has its distractions, but it can still be productive! Now is the perfect time to take advantage of the **on-demand Continuous Insulation ("ci")-focused AIA CEU courses available from Hunter Panels**. Not a big fan of on-demand or wish to schedule something for a larger group? No problem. We're happy to work with you to put on a remote AIA CEU webinar session for your team presented by a real live representative who can interact and answer questions during the session. Head over to HunterPanels.com to schedule your course.

AEC Daily Courses

Learn about the importance of continuous insulation and some of the insulation types that are used in this building technique.

- [Continuous Insulation: Code Compliance and the NFPA 285 in Commercial Wall Assemblies](#)
- [Continuous Insulation: Energy Efficiency and Performance Comparison of "ci"](#)
- [Continuous Insulation and Beyond. Design solutions that offer energy efficiency, thermal value, fire performance and moisture control.](#)
- [Tapered Roof Insulation Systems](#)
