Announcement

I am pleased to announce the promotion of Nichole Boynton to the newly created position of Customer Service Team Lead effective March 14, 2016. In her new role Nichole will assist in overseeing the day-to-day operations of the Customer Service team while continuing her responsibilities as an Account Manager.

Nichole began her career with Hunter Panels in July of 2005 as an Account Manager. During her tenure at Hunter Panels Nichole has continued to position herself as a leader in the office; Nichole has been responsible for training new employees, as the point person for the company code conversion, and is an SAP Power User.

Nichole has been in the roofing industry since March 1989! She started with NRG Barriers and has continued in the field since then. She has held positions in the scheduling, credit, and tapered departments.

Nichole lives in Saco with her husband of 28 years. She has two children who recently graduated from college. Nichole and her husband love soccer and enjoy being involved with the local high school team. We all know Nichole as the office baker, delighting us with her culinary creations.

Please join me in congratulating Nichole on her new role.

Sincerely,
Jennifer Holsinger
Customer Service Manager
