May 30, 2017

To Our Valued Hunter Panels Xci Wall Insulation Customers:

Raw materials used in the manufacturing of polyiso insulation materials continue to increase in price. As a result, it is necessary for Hunter Panels to increase prices on all Xci polyiso wall insulation products by 8% effective with shipments occurring on or after July 10, 2017.

Existing job/project quotes will be honored for delivery through their documented ship date. All new quotes for projects shipping beyond July 10, 2017 will reflect the announced price increase.

We sincerely appreciate your continued support of Hunter Panels Xci Wall Insulation products. Should you have questions or require additional information, please reach out to me or your Xci Regional Sales Manager.

Sincerely,

A handwritten signature in cursive script that reads "Grant Stahl".
