**ORGANIZATIONAL ANNOUNCEMENT**

TO: Hunter Panels Customers, Sales Reps and Employees

I am excited to announce that effective January 1, 2018, Marley Mitchell will become our new Customer Service Manager. For the past three years, Marley’s role has been the Administrative Services Manager. She has exceeded all expectations and performed at a high level, while taking on additional responsibilities. Her commitment and dedication to taking care of the customer and our employees, and demonstrating the “whatever it takes” attitude exemplify what Hunter Panels is all about.

Marley joined Hunter Panels in January of 2015 and lives in Falmouth, Maine with her husband Ethan and daughter Libby. She is an avid skier, likes to wake surf, and loves spending time with her new daughter. Her integrity, commitment, and passion for success, coupled with her management experience will help to further strengthen the Hunter Panels team.

Please join me in congratulating Marley on her new position, and best wishes for continued success.

You can contact Marley at:
Direct 207-228-6341
Cell 207-671-7076
