To Our Valued Hunter Panels Xci Wall Insulation Customers:

Cumulative raw material cost increases over the past year have significantly impacted the cost to produce polyiso insulation. As a result, Hunter Panels will implement a 3% price increase on all Xci polyiso wall insulation products effective with shipments on or after April 1, 2018.

Existing job/project quotes will be honored for delivery through their documented ship date. All new quotes for projects shipping beyond April 1, 2018 will reflect the announced price increase.

Thank you for your continued support of Hunter Panels Xci Wall Insulation.

Sincerely,
