## ANNOUNCEMENT

TO: Hunter Employees and Reps  
DT: September 12, 2018

We are pleased to announce that we have hired a new account manager, Jonathon Brown to assist with both Roof and Wall polyiso sales. Jonathon comes to Hunter with extensive experience in Customer Service and Sales while working for a wholesale distributor.

Jonathon is a Maine Native, went to school to become a teacher and later realized that his calling really was dealing with adult children. We think roofing is a great fit for him!

For fun, Jonathon, his wife Nichole, and his 2 1/2-month-old son Connor enjoy sleeping, when they can. Jonathon has a great sense of humor, great attitude and we are excited to have him on the team. His contact information is below

We look forward to assigning Jonathon a territory after he finishes his training period. Please help us in welcoming Jonathon to the team and wishing him success in his new job.

Sincerely
