RE: Price Increase Effective November 2, 2020

As a result of continued raw material increases for polyiso products, Hunter Panels finds it necessary to implement a price increase of 5-7% on Xci Wall Insulation products effective November 2, 2020. Existing quotes with expiration dates after November 2nd will be honored, however all new quotes with expiration dates after November 2nd, will include this increase. New orders must ship prior to November 2nd in order to receive current pricing.

We appreciate your continued support of Hunter Panels Xci Wall Insulation. If you have any questions please contact me, your respective Hunter Regional Manager or local Hunter Sales Representative.

Sincerely,

A handwritten signature in cursive script that reads "Grant Stahl".
